Ending 2025 in feast & celebration

December at Pathway Schools was truly wonderful—a month filled with positivity, dedication, and meaningful growth. Our students and staff worked hard, supported one another, and embraced every opportunity to learn and shine. As the month came to a close, we celebrated our efforts with joyful feasts and heartfelt traditions, coming together as one Pathway family to reflect, give thanks, and celebrate all that we accomplished together.

Secret Santa was a real joy!

Our students partook in a classic Secret Santa gift exchange game and boy was it a thrill! After many wrong guesses and hilarious impersonations we exchanged gifts and well wishes in the name of the holiday spirit.

Spirit Week was filled with good vibes, good times, and lots of memories were made!

MEET THE TEACHER

ABOUT ME

Hi! I'm Karina Abadin, and I'm so excited to be joining the Pathway team as the Elementary Lead at the Miami campus. I have a bachelor's in K-6 Education and a master's in Curriculum and Instruction. I've spent six years teaching in the classroom and an additional two years working with Early Steps, supporting young children with developmental delays. I'm passionate about making learning fun, engaging, and meaningful, and I can't wait to support our teachers as they create those moments in their classrooms.

A little about me: I love to read, cook, and spend time with my family. I'm also a mom to a sweet two year old boy who has my whole heart.

I'm truly looking forward to meeting everyone and becoming part of the Pathway family!

A Thanksgiving filled with GRATITUDE

Our Thanksgiving celebration this year was truly something special. Our students, alongside their families, brought in delicious homemade dishes that filled our campus with warmth, culture, and community spirit. From family recipes passed down through generations to creative new favorites, every plate carried a story and we enjoyed them all! Teachers, coaches, and students gathered together to share laughter, gratitude, and a heartfelt meal as one Pathway family. Moments like these remind us of the power of togetherness and the value of slowing down to appreciate the people around us.

We are incredibly grateful for our families, our staff, and our student-athletes who bring life and purpose to Pathway every day. Thank you for making our Thanksgiving potluck a beautiful celebration of community and gratitude. Wishing everyone a season filled with warmth, joy, and appreciation. 

Message from owner Chris Muñoz

As we head into the final stretch of the semester, I want to take a moment to express how proud I am of this campus the staff, the coaches, and especially our student-athletes. The growth, effort, and maturity shown over the past months have been evident both in the classroom and on the field. Let's finish the year strong!

Halloween Spooktacular Mini Soccer Tourney

This week, our fields turned into a spooktacular soccer celebration! Our student-athletes hit the pitch in full Halloween spirit—costumes, creativity, and competition all in one. From superheroes to skeletons, the energy was high and the smiles were even bigger! Parents joined in the fun too, handing out candy, cheering from the sidelines. It was the perfect mix of community, laughter, and Pathway pride.

Events like these remind us that soccer is more than a game. It's about connection, joy, and building memories together. Thank you to all the families who came out to celebrate and hand out treats.

Message from the Head of Education

I couldn't be prouder of how far our students and teachers have come! Our recent STAR results show real progress across campuses, and it's clear that the effort in the classrooms is paying off. From creative STEM projects to our amazing Hispanic Heritage celebrations, Pathway continues to shine in every way.

As we move into November, our momentum is stronger than ever. This is my sixth year with Pathway, and I can honestly say – I am beyond impressed with the growth, passion, and heart our community shows every single day.

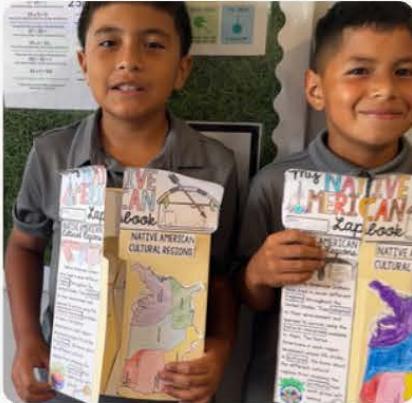

Pathway Family is strong!

The whole campus came together as one family in support of our brother Eli. Injuries are never easy, but moments like this remind us of the strength, unity, and heart of the Pathway community. Stay strong, Eli your family's got you!

A soccer coach is more than someone who teaches the game — they're a mentor, a motivator, and a sculptor of character. They see beyond the passes and goals, into the heart of every player — guiding them to believe, to fight, to grow. A true soccer coach turns the field into a classroom for life, where teamwork builds trust, mistakes become lessons, and every touch of the ball shapes discipline and resilience. They don't just form players; they form good humans — ones who carry passion, humility, and purpose both on and off the pitch.

What makes our Pathway Coaches so special?

"They're nice, they do great training sessions, they teach us more than only soccer lessons and they always have our back!" - Elise Rivera (4th Grade)

Human Development Program Launches!

At Pathway Schools, the purpose of our Human Development Program is to nurture the personal growth of our student-athletes by helping them internalize core values—such as respect, discipline, gratitude, empathy, purpose, authenticity, humility, courage, and integrity—that lead to stronger character and a healthier, more meaningful life.

This program is foundational to our belief that extraordinary achievement is not only about talent or discipline, but about our students becoming the best version of themselves—grounded in values.

SEPTEMBER = RESPECT

RESPECT - The foundation for all relationships & community standards.

Message from the Head of School

Our first month has set the tone for an incredible year ahead. I'm proud of the effort, growth, and energy our student-athletes are bringing both on the field & in the classroom. The best is yet to come!
